### How do applicants apply?

Applicants must be in employment or in education or training and have aspirations to buy their own home within a 5, 10, 15 or 20 year period.

A financial assessment will be carried out finding the best purchase plan to suit you. You have the opportunity to rent your home for 5, 10, 15 or 20 years before you buy.

You'll be advised if you meet the criteria and we will be able to answer any questions you have and help you make a formal application through Rentplus Homes.

**Rentplus offers an opportunity for tenants to build up their credit history for a minimum of five years so that they have a better opportunity to get a mortgage. Affordable Rent to Buy is not Shared Ownership. When you purchase your Rentplus home you will be buying 100% of your property.**
