There are just two available now but in total, Rentplus has 41 affordable rent to buy apartments in Eagle House, located within the Lexicon, a brand new multi-million pound leisure development in the heart of Bracknell with excellent commuter links to London. The scheme was developed by Thomas Homes Limited - a leading developer across the South of England.

You must have an annual household income of less than £80,000, be in work or training, want to buy but currently unable to save a deposit.

How do applicants apply for Eagle House?

Applicants must be working and have aspirations to buy their own home within a 5, 10, 15 or 20 year period.

A financial assessment will be carried out before ascertaining whether an applicant will be appropriate for a 5, 10, 15 or 20 year purchase plan.

You'll be advised if you meet the criteria. We will be able to answer any questions you have and we will help you make a formal application through Rentplus Homes.

One of the benefits to Rentplus is that poor credit history is by no means a barrier to acceptance as tenants have a minimum of five years to be able to rebuild their credit history. And our affordable rent to buy means you will own 100% of your property: it is not a shared ownership scheme.

Register your interest by calling 01908 738400 or emailing applications@rentplushomes.co.uk. You will be sent full details on each property, information about viewings, and how to formally apply for a Rentplus home.
